TUESDAY KNIGHTER

May/June 2018

66th EDITION

GRAND KNIGHT'S MESSAGE

Brothers and Friends,

Here we are again looking at the last few months of our fraternal year, our 99th and I would like to thank all of you that have supported and helped us in some way during this time. It has been a great pleasure and honor for me to be your Grand Knight. I have said this before, you all make the position of Grand Knight very easy with all that you do. If and when things need to be done it just seems to get done. When there is a need, something of importance it gets taken care of by someone or many. Again, thank you to all, for what you do you do in the name of Charity, Unity, and Fraternity.

A few years ago the Knights of Columbus passed a resolution in support of palliative care organizations or initiatives. At our June dinner meeting we will be having speaker(s) joining us. Following dinner they will be informing us of the local initiative being undertaken for palliative care in Cobourg. Please try and come out to join us. I have included two articles from April 2018 "Life Matters" publication, one from State Pro-Life Director Alex Schadenburg and one from National President, Priests for Life Fr Tom Lynch. This will help to keep us all informed of some of initiatives taking place.

I have been reflecting on this subject for a while, it is a touchy one but here goes. It seems human nature to see in others what is perceived as negative then to jokingly make a comment, or simply to complain of it to others for any number of reasons. I observe and often have brought to me grievances and complaints, sometimes the one who has been hurt by a negative comment. No pointing fingers here, I am including myself in this too. It seems no one is exempt from this scrutiny our parents, family members, our brothers and friends, even our Parish Priests. Where does this culture come from? Is it the constant spotlight and reporting of our politicians and officials in the news, or is it possibly in our genes? One of the most important things that I have learned was on a Cursillo weekend. What I took away was this, that no

matter whom we are, what our station in life is, or where we are in life, God has given each and every one of us a special gift and talent to share.

I want to share with you a Lenten reflection from "Grace in Every Season" for all year.

Lent is a time to control our speech. To control speech is to recover its sacredness, to understand that sometimes the words of an innocent "joke," proffered without even thinking, can have disastrous results, can be the "last straw" that pushes a person into ultimate despair and destruction. But our words can also be a witness. A casual conversation across the desk of a colleague can do more for communicating a vision of life, an attitude toward other people or toward work, than formal preaching. It can sew the seed of a question, of the possibility of a different approach to life, the desire to know more. We have no idea how, in fact, we constantly influence each one another by our speech, by the very tonality of our personality. And ultimately men and women are converted to God not by because someone was able to give brilliant explanations, but because they saw in that person a light, joy, depth, seriousness, and love which alone reveal the presence and power of God in the world. As Mathew 12:36:17 says, we shall be judged by our Words. We must think about what Gods words in the Bible say. And out of this thinking we must speak words in tenderness, love, pity, compassion, and gentleness because we are men and women of faith; we are Christians.

Venerable Fr. McGivney help us all to learn to recognize the special gifts and abilities in each other and to help nurture these gifts to be in service to those in need.

Fr. McGivney, Pray for us; Our Lady, Queen of Peace,
Pray for us.

Vivat Jesus!

Stephen Clancy, Grand Knight

Ladies' Auxiliary Report

Hello to all the Ladies Auxiliary members, and all volunteers.

Ladies, just a reminder that our next meeting will be May 15, we will have our ladies appreciation dinner of May 8th, known as the Spring Fling,

We are holding a High Tea lead by Gladys Delong Maggs, the date to be discussed at our May meeting.

The Secretary Moira Cascone, has step down effective immediately, pray on it to see if you are being asked to step up and fill one of these positions. A new way to share the position of the President's chair is being devised.

Just a reminder that we are doing Souptertime on May 29, help is always welcome, call me!

We are doing the ladies Bingo on May 16, and May 30th; followed by June 20 and June 27. have you decided that you might be able to help us with this charity event we do to help with expenses for the Knights Hall.

We generally have a quiet summer, pray for such a summer again. Once again please read your Tuesday Knighter for up and coming events that will be held during the summer, that would interest you as a member of our ladies group.
