TUESDAY KNIGHTER

September/October 2020

76th EDITION

GRAND KNIGHT'S MESSAGE

Brothers and Friends,

I am pleased to announce with the province moving to stage 3 we will once again hold our General meeting on the first Tuesday of the month and our executive meeting on the last Tuesday

each month. Mark your calendar for an outdoor corn roast and BBQ sports day for September 13 at 12:30.

In June with meetings suspended, I proposed two options to our executive for elections. 1) To try and hold an online election or, 2) That executive members would extend their position for a further one-year term. All accepted to stay on for this fraternal year. The exception to this is that we have not yet filled the position of DGK as brother Bob Hasiuk had previously advised he could not continue on the executive for other personal commitments. So, please let me know if you would be able to help filling this position. Big thank you to Brother Bob who has given so much time to improving our council and for his excellent leadership as President of Columbus Community Home. Thank you, Bob, for your service to our cause.

Over the past months, our executive has virtually met in person as the provincial stages have allowed. We have continued to make our monthly donations through charity trust. With schools closed the moneys we normally donate to the school breakfast programs we donated to fare share food bank. Our Bingo group started back as soon as they were able in Aug. to ensure funds

are in the "charity fund trust" to continue this charitable work.

As we begin a new century the 101st year in the life of our council, it goes without saying 2020 has been most unusual and a challenging year for all of us. Shutting down everything, the need to isolate, fears to remain safe from COVID 19 have changed the way we live and do things in so many ways. As I write I am reminded of Winston Churchill saying "the only thing to fear is fear itself" The important thing I feel is that we do return to living as we did, or as closely as possible as we did in the past, while following the guidelines the experts are giving us to do so safely. I understand there can be two camps on the issues of social distancing, masks, and social circles. We must be leaders in the community doing our utmost in all we do to follow and use the guidelines the experts have given us. It is important that we do our utmost to keep those we serve and ourselves safe. Making the adjustments needed to what and how we do things will allow us to continue to serve all those that we do with our principals of Charity, Fraternity and Unity.

Moving forward we will not be able to do many of the fundraising events as we did for the near future, we simply cannot do things in the same fashion as we have done. I am confident that we can unite our ideas finding new ways to fundraise, allowing us to continue our financial charitable works in the community. Please be patient with the changes we have ahead of us. Please bring forward your ideas, suggestions, and observations to make improvements in how and what we do in service to our community.

Once again, I look forward to the year ahead and working together to overcome the challenges we

face as we begin our journey towards “200 Years of Charity”

Fr. McGivney, Pray for us;
Our Lady, Queen of Peace, Pray for us.

Vivat Jesus!

Stephen Clancy, Grand Knight, Council 1970

Greetings Brothers!

As we are all aware that the COVID 19 virus has been a large part of our lives for the last four months. Because of this, since March 16 till the end of July your Council has been unable to work the bingo games, thus no income for our Charity Trust Fund.

We are now into our third week of bingo and are having our challenges. The number of players is restricted to fifty, thus restricting the result of Council's share of funds for charity. Your Council is extremely fortunate that the five “volunteers” have agreed to return, with reservations, to continue to assist with the bingos. It is a wait and see situation as to what your Council will receive in remuneration at the end of the month.

Because of these trying times your Council will have to curtail their amounts of donations and the recipients of those donations. Unfortunately, this is not an isolated situation.

The “team” could use some extra help also. The bingo association has taken many precautions to make the evening safe. The volunteers have little interaction on the floor and the selling area of ticket sales is well cordoned off.

This is just an update as to what is happening with the future of bingo and the decrease of funds for some time to come! There has been no indication as to when these restrictions will end.

We are still having fun and it would be great to have some new faces for backup.

K of C Annual Charities Lottery

Brothers,

With the state's COVID 19 announcements last March and April, they have managed to postpone (with a new license) the 2020 Charities Lottery which was originally going to be drawn on May 29th, 2020, to the date of **October 30th, 2020**.

This means I would like everyone to have dropped off their stub and money at the office by our September Council meeting or bring them to the September council meeting.

Vivat Jesus!

Barry McKinlay, Charities Raffle Chairman

Cobourg Columbus Home Chair Message

I am pleased to report that with the complete shut down of the hall in March we have a small positive cash position. We have our solar income reserves and higher summer income to thank for this.

During the shut down we have supported the blood donor clinic in July and August as they start up again for monthly clinics. Note these are by appointment only to avoid crowds and maintain social distancing.

As the province moves to stage 3 we are preparing to reopen our hall for business following the provincial guidelines for safe reopening. Operational policies are being prepared for opening in accordance with the applicable provincial guidelines.

Moving forward we will see changes to the operational details and requirements for all users of the hall to comply with the health department safe opening regulations and guidelines.

We look forward to working with all users of the hall to get back to being as normal as is possible within the guidelines in a safe as possible method for all.

Stephen Clancy,

CCH Chair

Patriotic (4th) Degree Report

Brothers,

Smile it is not so bad, we have made it this far. As you are all aware these past few months, we have been living in semi-fear because of the corona virus. With the Lord's blessing we have survived so far. Keep the faith we will rise again.

Unfortunately, the meeting and social events were cancelled. Tentative plans are in the works for a 4th Degree and 3rd Degree meetings, in Cobourg and Port Hope. Your executive will reach out to you all.

As for the 4th Degree, I have reserved the main hall in the Cobourg Columbus Centre for September and October, praying that we will have our first meeting in months. If meeting can take place, remember it is the 3rd Thursday of the month, 6 PM Social, 6:30 PM Dinner. Lets all do catch up and come out to your meeting. If we do not support, we will not have our 4th Degree and we will not be able to do our charity work in the community, please Brothers support. I am waiting to hear from Father Purdue, praying he can give a talk at the meeting in September or October.

Thank you and God Bless you and your Family.

Yours in Christ

John Lennon, Faithful Navigator
